

Position Description: **Weapons of Mass Destruction Hospital Based Management
of Mass Casualty Incidents Course**

(WMD HBMMCI)

Title: Instructor

Course Description: Hospital Based Management of Mass Casualty Incidents (HBMMCI) is a one-week knowledge-based course designed to provide guidance to hospitals in the use and maintenance of an emergency management system to be used in times of crisis, such as terrorist attacks and natural disasters, that employs a logical management structure, defined responsibilities, clear reporting channels, and a common nomenclature to help unify hospitals with other emergency responders. HBMMCI is based on the Hospital Emergency Incident Command System (HEICS).

Description of Duties: Responsible for conducting classroom instruction, presentations and exercises in accordance with the guidelines and directives set forth by the Department of State Diplomatic Security Antiterrorism Assistance Program (ATA).

Responsible for ensuring only current ATA approved training materials (lesson plans, participant handouts, videos, case studies, etc.) are used in the delivery of ATA courses.

Responsible for returning **all** ATA training materials, including course CDs and ensuring that all ATA downloaded materials are deleted at the end of the course presentation by all instructors involved in the delivery of ATA courses.

Additional Duties and Responsibilities:

1. Liaise with DS/ATA Training Coordinator on all aspects of training and accept and follow any specific instruction provided by that DS/ATA Coordinator
2. Coordinate classroom preparation as directed by the lead instructor
3. Assist, as directed, with the drafting of the End of Course Review for submission
4. As directed, assist in the administration of Pre/Post Knowledge Surveys and summarize results utilizing ATA approved format
5. As directed, assist in the administration of Participant Skills Evaluations (when appropriate) and summarize results utilizing ATA approved format
6. As directed, assist in the administration of Course

Critique and summarize results utilizing ATA approved format

7. Assist in the day to day operational activities as reflected in the program of instruction
8. Interact professionally outside of normal training hours, as directed by the lead instructor, with course participants and training venue officials when appropriate and approved by ATA.

General
Qualifications:

1. Bachelors Degree or equivalent work experience in the field. Two years work subject matter related experience may be substituted for one year education.
2. In situations where there is a combination of formal education and experience, this would be evaluated on a case by case basis.
3. In situations where the subject matter is considered cutting edge procedures or technologies, evaluations of candidate's credentials will be considered on a case by case basis.
4. Specialized training shall include instructor certification from a recognized law enforcement local, state, federal or military institution.
5. Familiar with curriculum Design/Development.
6. Demonstrated operational experience in the subject area.

Mandatory
Qualifications:

1. Medical Doctor in Emergency Medicine or Nurse Practitioner in Emergency Medicine.
